

SEAoNY Emergency Response Plan

Structural Engineer Emergency Response Plan (SEERP)

SEAoNY is developing a list of volunteers who are willing to provide structural engineering assistance after an Emergency or Natural disaster.

Please use this form to indicate your desire to initiate, continue, or discontinue participation as a Volunteer Engineer within SEAoNY's SEER (Structural Engineer Emergency Response) list.

Because not all of the information being requested would be kept on file within the SEAoNY database, in the future all volunteers will be asked to provide periodic updates. This will help to ensure the accuracy of the directory.

Mail or fax to: SEAoNY
Structural Engineers Associations of New York
536 LaGuardia Place
New York, NY 10012
Email: admin@seaony.org

Please check the box that corresponds with your current volunteer commitment:

Please add my name to the Volunteer Engineers Directory. I have read and understand the volunteer expectations and have completed the profile update.

I would like to continue as a Volunteer Engineer. I have read and understand the volunteer expectations and have completed the profile update.

Please drop my name from the Volunteer Engineers Directory.

Signature: _____ Date: _____

Profile Update

Please complete all information requested. If you have more than one reference for a given item (i.e. e-mail or mobile phone), please provide all of them to add redundancy to the system.

If an item does not apply, please indicate N/A. For licenses, please indicate type of licenses and the states in which they are held (i.e. PE, SE, GE). For Experience and Physical Limits please see key and circle all that apply.

Name: _____

Nickname: _____

Company: _____

Company Address: _____
