

15TH ANNUAL

SEAoNY EDUCATION FOUNDATION GOLF OUTING

Covid 19 Impact

The club has taken all required precautions including one person per cart (some may have to take turns walking while their bag is on the cart), sanitizing of all carts before play, and sanitizing all surfaces. Box lunches will be provided and hor d'oeuvres will be individually plated. We have reduced the cost and there will be no silent auction. No paper raffle tickets will be sold, instead every golfer gets 3 entries into an electronic raffle. Additional electronic entries can be purchased for \$50 per three entries either when signing up or on site the day of.

**PLEASE
NOTE:**

MAHOPAC GOLF CLUB

Situated on the majestic, rolling countryside of New York's southern Putnam County, Mahopac Golf Club is among the oldest clubs in the US. The course, which features well bunkered greens, is considered by many to be one of the area's most beautiful and most challenging.

For directions to Mahopac Golf Club please visit www.mahopacgolfclub.com.

THE EDUCATION FOUNDATION GOLF OUTING

Support a great cause while improving your handicap, getting some sun, and mingling with colleagues! Join us Monday, September 14 for a day on the links in support of the SEAoNY Education Foundation.

Proceeds from the golf outing provide scholarships for students who are chosen by that year's Honorary SEAoNY Member. This past year, scholarships were awarded to Kamil Pisula (the City College of New York) and Carol Shlyahova (NYU).

In addition, each year the Education Foundation provides a scholarship to high school seniors from the Urban Assembly School for Design and Construction to support them as they go on to represent our industry and become leaders in promoting our profession. Last year's scholarship winners were Kenya Liamura and Robert Lee III.

OUR MISSION

We started this event 14 years ago with a goal of encouraging young people to enter our profession by supporting area college and university students studying structural engineering. Since then, we have been able to expand our goals thanks to your generosity. We also award scholarships to graduating high school students from the Urban Assembly School for Design and Construction and support the Center for Architecture Foundation. We have distributed over \$210,000 to these great causes so far. With greater demands on our aging infrastructure, the need for bright young structural engineers is more critical than ever. Please come join us in helping students and supporting the field of engineering all while having a great time!

The SEAoNY Education Foundation is a 501(c)(3) non-profit organization.
