

2022 SEAoNY Annual Conference

Each year we hold a day-long educational seminar at a venue in New York City. We are excited to announce the 2022 SEAoNY Annual Conference will be virtual and held March 10 & 11 2022. In addition to our membership, the event attracts non-members including contractors, architects, Department of Buildings officials, and those from other sectors of the AEC industry. Last year we had over 260 attendees. In 2022 we will hold the event virtually with up to 500 attendees. For more information for 2022's conference, please contact jnuruddin@seaony.org.
