14TH ANNUAL
SEAO NY EDUCATION FOUNDATION
GOLF OUTING

MAHOPAC GOLF CLUB
Situated on the majestic, rolling countryside of New York’s southern Putnam County, Mahopac Golf Club is among the oldest clubs in the US. The course, which features well bunkered greens, is considered by many to be one of the area’s most beautiful and most challenging.

For directions to Mahopac Golf Club please visit www.mahopacgolfclub.com.

This event sells out every year!

2018 scramble winners BluEdge.
THE EDUCATION FOUNDATION GOLF OUTING

Support a great cause while improving your handicap, getting some sun, and mingling with colleagues! Join us Monday, June 10 for a day on the links in support of the SEAoNY Education Foundation.

Proceeds from the golf outing provide scholarships for students who are chosen by that year’s Honorary SEAoNY Member. This past year, scholarships were awarded to Solmaz Jumakuliyeva and Nyema Wesley, who are both students at Princeton.

In addition, each year the Education Foundation provides a scholarship to high school seniors from the Urban Assembly School for Design and Construction to support them as they go on to represent our industry and become leaders in promoting our profession. Last year’s scholarship winners were Petrica Forcos and Angel Martinez.

Petrica Forcos and Angel Martinez accept scholarship checks for $5,000 from 2018 SEAoNY President Sara Steele.

- Gift certificates to Pro Shop for each member of the foursome

OUR MISSION
We started this event 13 years ago with a goal of encouraging young people to enter our profession by supporting area college and university students studying structural engineering. Since then, we have been able to expand our goals thanks to your generosity. We also award scholarships to graduating high school students from the Urban Assembly School for Design and Construction and support the Center for Architecture Foundation. We have distributed over $190,000 to these great causes so far. With greater demands on our aging infrastructure, the need for bright young structural engineers is more critical than ever. Please come join us in helping students and supporting the field of engineering all while having a great time!

The SEAoNY Education Foundation is a 501(c)(3) non-profit organization.
